

## DEMONSTRATION PROJECT FEBRUARY 27, 2018 AGENDA

**Objective:** Drive the up-take of off-grid lighting technologies at the community level and eradication of inefficient fuel-based lighting

**Goals:**

- Highlight the negative economic, health, safety and environmental consequences of inefficient fuel-based lighting
- Train stakeholders on off-grid lighting technologies
- Catalyze market for lighting technologies by linking local stakeholders to private sector

Time	Topic	Expected Outcome
8:00am	Registration/Networking	N/A
9:00am - 9:30am	Introduction <ul style="list-style-type: none"> <li>- Welcome from Power For All</li> <li>- Goals and objectives, agenda review</li> </ul>	- Understanding of goals for day
9:30am - 10:00am	Off-Grid Lighting Presentation – Power For All <ul style="list-style-type: none"> <li>- Power For All</li> <li>- Overview of the UNEP Project</li> <li>- The off-grid lighting market globally, in Africa and Nigeria</li> <li>- Economic, health, safety and environmental consequences of inefficient lighting</li> <li>- Introduction to clean lighting technologies</li> <li>- Benefits of clean modern lighting technologies</li> <li>- Business Models for off-grid lighting</li> <li>- Driving adoption and market               <ul style="list-style-type: none"> <li>- Role of Government</li> <li>- Role of CSOs</li> <li>- Role of Faith-Based Institutions</li> <li>- Role of Women Associations</li> <li>- Role of Community Groups</li> <li>- Role of other influencers</li> </ul> </li> </ul>	- Understanding of the UNEP Project  - Highlighting the need for a transition from inefficient fuel based lighting to clean modern lighting technologies DRE sector globally, in Africa and Nigeria  - Recognizing the role of each stakeholder in the transition
10:00am – 10:30am	Coffee Break/Exhibition (30 mins)	
10:30am -	Private Sector Presentation	- Knowledge on off-grid

11:50am	<ul style="list-style-type: none"> <li>- Presentation from Solar Sisters</li> <li>- Presentation from Sosai Renewables</li> <li>- Presentation from Asteven Limited</li> <li>- Presentation from Creeds Energy</li> <li>- Presentation from Consistent Energy</li> </ul>	<p>lighting technologies and business models</p> <p>- Link with private sector</p>
